PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Jeraldine Anderson respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 274C2 at Hollis, Oklahoma.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 274C2 to Hollis, Oklahoma, as that community's first competing commercial FM service. The FCC data base currently shows a vacant allotment for channel 223A at Hollis, Oklahoma. Hollis is a city with a population exceeding 2,600 people. Hollis has its own mayor, Terol Nell, its own fire department, its own post office, its own school system and a number of local churches.

Should this petition be granted, and Channel 274C2 be allotted to Hollis, Oklahoma Petitioner will apply for Channel 274C2, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
